

To the Trusted Third Party: The thawte Web of Trust is a global attempt to assure Internet user identities through personal verification of national identity documents. The applicant asks you to certify to thawte that you have met face-to-face with the applicant and verified the name of the applicant against two separate, original trusted photo-identity documents. If you have ANY doubts or concerns about the identity of the applicant, then please DO NOT COMPLETE this form. For more information about **thawte** Web of Trust, including detailed guides for Trusted Third Parties, please see: <http://www.thawte.com/wot>
